

RF

Premium

A Minimalistic Antenna with great Performance

With its slim and modern design, Premium matches any store design. The standard colours are Silver and Black.

You have the choice to customize the antenna in any colour you like to match with your store and can also integrate the logo of the store.

Premium antennas are unique in offering a high level of security at wide distances. It is possible to add an AD holder to Premium if you want to place advertisement on the antenna.
